

Homemade Masks---YAM of St. Mother Teresa of Calcutta Parish, April 2020

When the world was starting to see a shortage of hospital supplies due to COVID-19, members of the Young Adult Ministry (YAM) began making and giving out homemade masks for family members and friends. After a few weeks, local hospitals and Mayor Lightfoot's new Initiative, "Chicago Together! Make a Mask, Give a Mask, Wear a Mask!" were accepting homemade masks too. Members of YAM haven't been able to get together for over a month, with the Lenten Reconciliation Service, Easter Egg Hunt, and YAM-led mass canceled due to COVID-19. To re-connect, members of YAM had a virtual Happy Hour last week with fellowship, adult beverages, and making masks together (virtually). One of YAM's own, COVID-19 front-line worker Sam was grateful and excited to receive the donations!
